Patent 62478-4800

REMARKS

A review of the allowed claims noted an inadvertent typographical error in describing the functioning of the preview judging subunit since the determination is based upon whether a subscription contract has not been made. Accordingly, independent Claims 1, 14, 15 and 16 have been amended. These amendments do not alter the allowability of the claims, but rather ensure that a minor error has been corrected.

It is believed that the submitted claims are still allowable and an early notification of the same is requested.

If the Examiner has any questions with regards to this matter, the undersigned attorney would appreciate a telephone conference.

I hereby certify that this correspondence is being Very truly yours, transmitted via facsimile to the USPTO at 571-273-8300 on January 26, 2006.
